Who We Are

About Us

We are an established consultancy practice operating out of Port Moresby and Sydney offices, with more than 40 years of collective work experience.

Our suite of services include accounting, advisory, bookkeeping, consulting, payroll, tax, regulatory and secretarial.

We understand the needs of large corporations and at the same time we are small enough and flexible to cater to the needs of individual clients and small businesses.

"We provide you best of minds to meet your business needs"

SHISHYA

Your Preferred Advisors

“We will guide you throughout”

Our Vision

To empower skills, promote fair practice, support ethical conduct and assist good governance.

Our mission

To be a preferred service provider to businesses operating in Asia Pacific by providing them practical expert advice at reasonable prices.

Our Promise

Personal Attention - we will allot you with a core team of professionals who will be available to meet your needs round the clock. This allows us to be sensitive to your needs.

Practical Expert Advice - we will work closely with you in providing advice in respect of the business and thus allowing you to take business decisions more confidently.

Price for money - we ensure that we use the right mix of professionals based on the level of skills and degree of experience needed. This allows us to provide you service at competitive fee level without compromising on the quality.

Punctual and Timely service- one of the first priorities we set when we begin working with you is to develop a clear internal reporting process and timetable that enables us to help you achieve your reporting and compliance deadlines. As part of our process we will provide feedback through formal and informal mechanisms.

“You will see the fruits of our labour”

Our Products and Services

- Accounting and Advisory
- Bookkeeping and Payroll
- Taxation and Regulatory
- Secretarial and Consulting

Our Philosophy

Our philosophy is quite simple, we want to provide excellent client service and exceed expectations at all times. We aim to be trusted business advisers by taking on the back office, accounting and statutory requirements of your company's business and to ensure compliance with local regulations.
